Heao Group is a Chinese factory with a strong dedication to offering our customers top-notch sturdy dog toy plush at competitive prices. This tough chewing puppy toy makes squeaking sounds when squeezed that dogs love, keeping his attention and leading to hours and hours of play time fun.

Enchanting Rhino Design:

This sturdy plush toy takes the form of an endearing rhinoceros with plush head and limbs, capturing your pup's heart with its cute appearance. The soft and fuzzy texture of the plush materials offers a snuggly and comforting feel for your little canine companion.

Durable Rubber Body with Treat Dispenser:

The body of the rhino is skillfully crafted from durable rubber material, providing a sturdy surface for your dog's playful interactions. Within the rubber body, there is a hidden treat dispenser, designed to hold small treats or kibble. As your dog plays and engages with the toy, they will be rewarded with tasty treats, making playtime even more enticing and enjoyable.

Interactive Play and Mental Stimulation:

The combination of plush and rubber materials adds a layer of excitement to play. Your pup can chew and nibble on the plush limbs and head, while also exploring the rubber body for treats. This interactive play not only keeps them physically active but also mentally stimulated as they work to retrieve the hidden rewards.
